We will not cancel games unless we call your captain that night. Assume that you will always be playing. If you do not show your team will get a forfeit and have to pay your \$2 per person the next league day. We have to pay a ref and it's only fair to the ref and the other team.

We will be having a pitcher and shot race competition between all of the leagues Tuesday, Wednesday, and Sunday. You can have other people drink for your team. Winner will receive a Free Half barrel and second place will receive a Free Quarter barrel. Shot race winners and second prize will receive a bar tab and a wing party.
